# Dedication

The 1966 Rox Staff takes great pride in dedicating this yearbook to one of the most dedicated of teachers, you, Miss Dorothy Abberley. Having received your Bachelor's Degree from Illinois Wesleyan University in Bloomington, you began your teaching career in Fairview High School, where you taught for three years. In 1948, you became a member of the faculty at Roxana High School. Soon thereafter, you finished your Master's Degree at the University of Illinois.

The social studies department has benefited from your chairmanship since 1960. You were instrumental in developing the American History team teaching class which is included in the demonstration program here. To become fully prepared for this, you spent the summer of 1964 at the Institute held at the University of Illinois.

Although primarily recognized for your association with the social studies department, you have also contributed of your time and energies to Roxana High School in a variety of other ways. In 1956, you assumed the responsibilities as sponsor of the Future Teachers of America, an organization whose members might well profit from your example. For four years through 1960, you also served as sponsor of the yearbook. You are a past president of the

Wood River Chapter of the American Association of University Women.

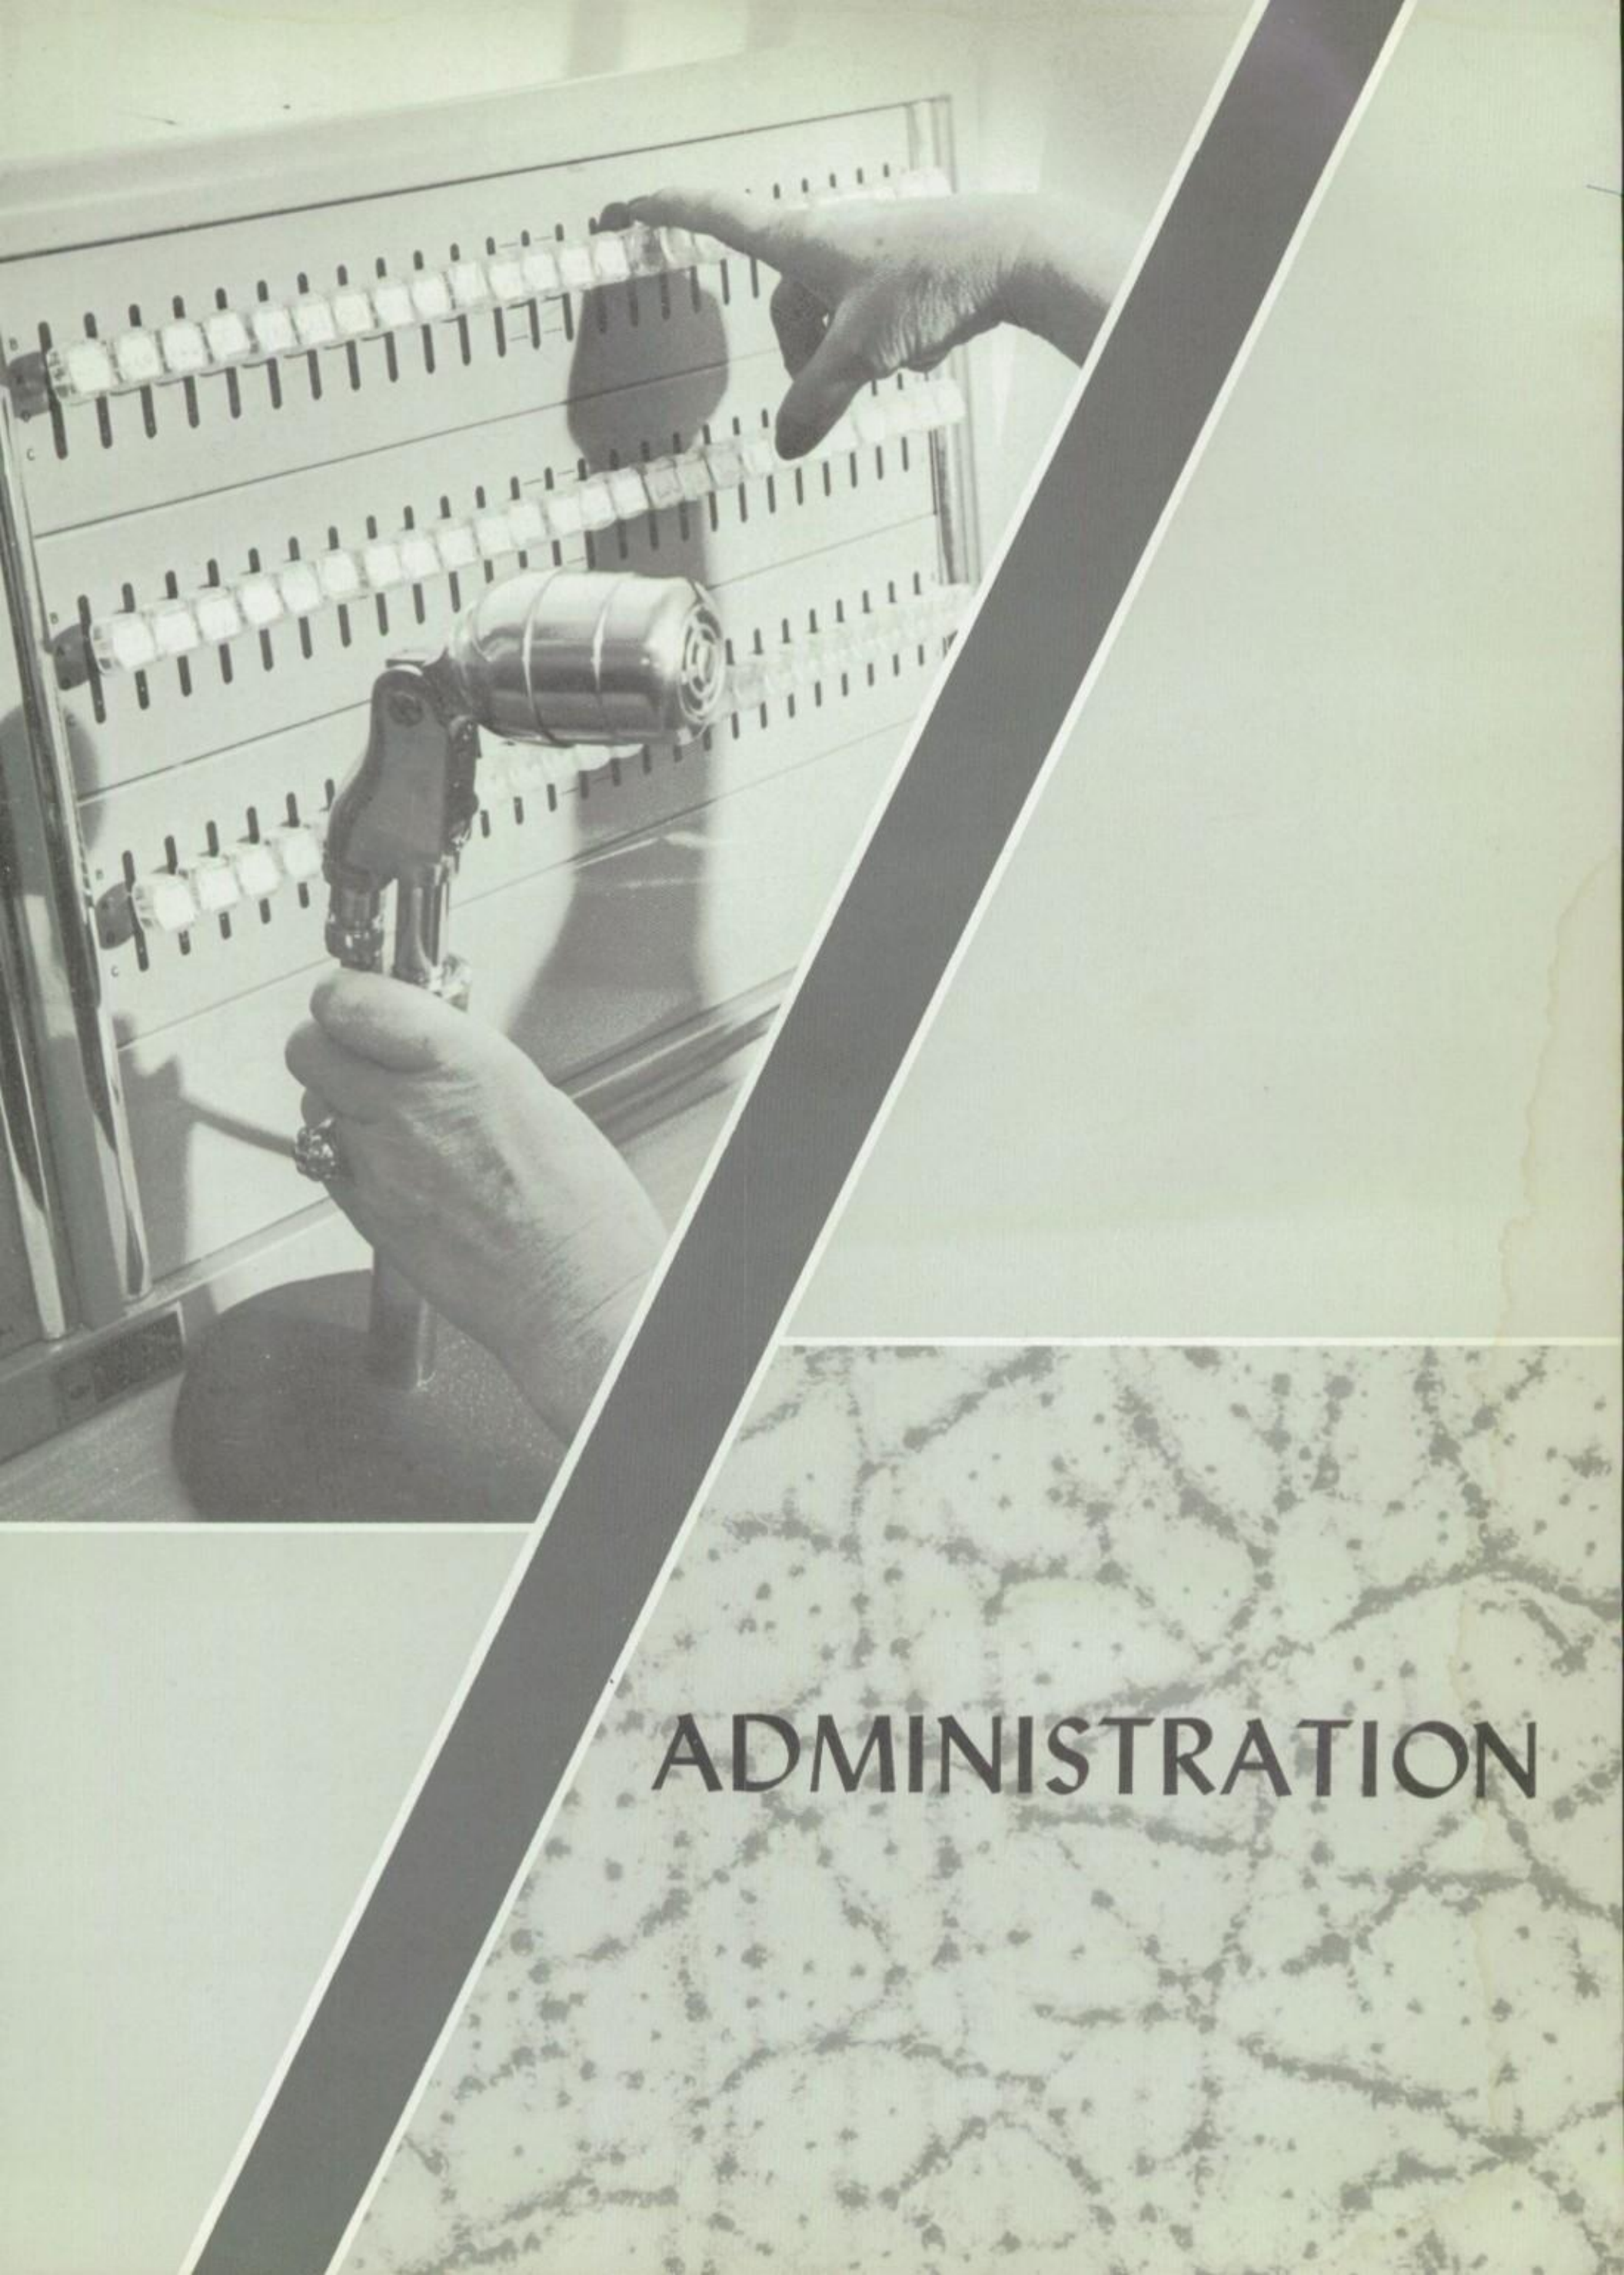

Even in education itself, Miss Abberley, you have shown a seldom paralleled diversity. You took a leave of absence during the 1953-1954 school year and taught in the Army Air Force School at Kaiserlautern, Germany. In 1960, you were awarded a Fulbright Scholarship which sent you to a summer seminar at the University of Brazil at Rio de Janeiro.

In spite of all these successes, you are still best characterized by one trait - your absolute devotion to education and the teaching profession. Very fortunate, we feel, are those students who have been in your classes, or who have been associated with you through extra-curricular activities. Few indeed are the teachers who ever approach your unwavering dedication, your loyalty, and your devotion to the field of education.

It is then, with deepest humility and respect, that we, the 1966 Rox Staff, in an effort to show our pride in having such a teacher in our school system, do hereby dedicate this yearbook in recognition of outstanding service to you - Miss Dorothy Abberley.

ROBERT D. KISSACK

## Principal

Our principal, Mr. Kissack, came to the Roxana school system in 1950, after receiving a Master's Degree in Education Administration from the University of Illinois. For five years he taught in the junior high school; then he taught geometry and physical education in the high school. He served as varsity basketball coach until 1960, at which time he was given the duties of assistant principal. He became our principal in 1962. He is a member of the Rotary Club and of various professional organizations.

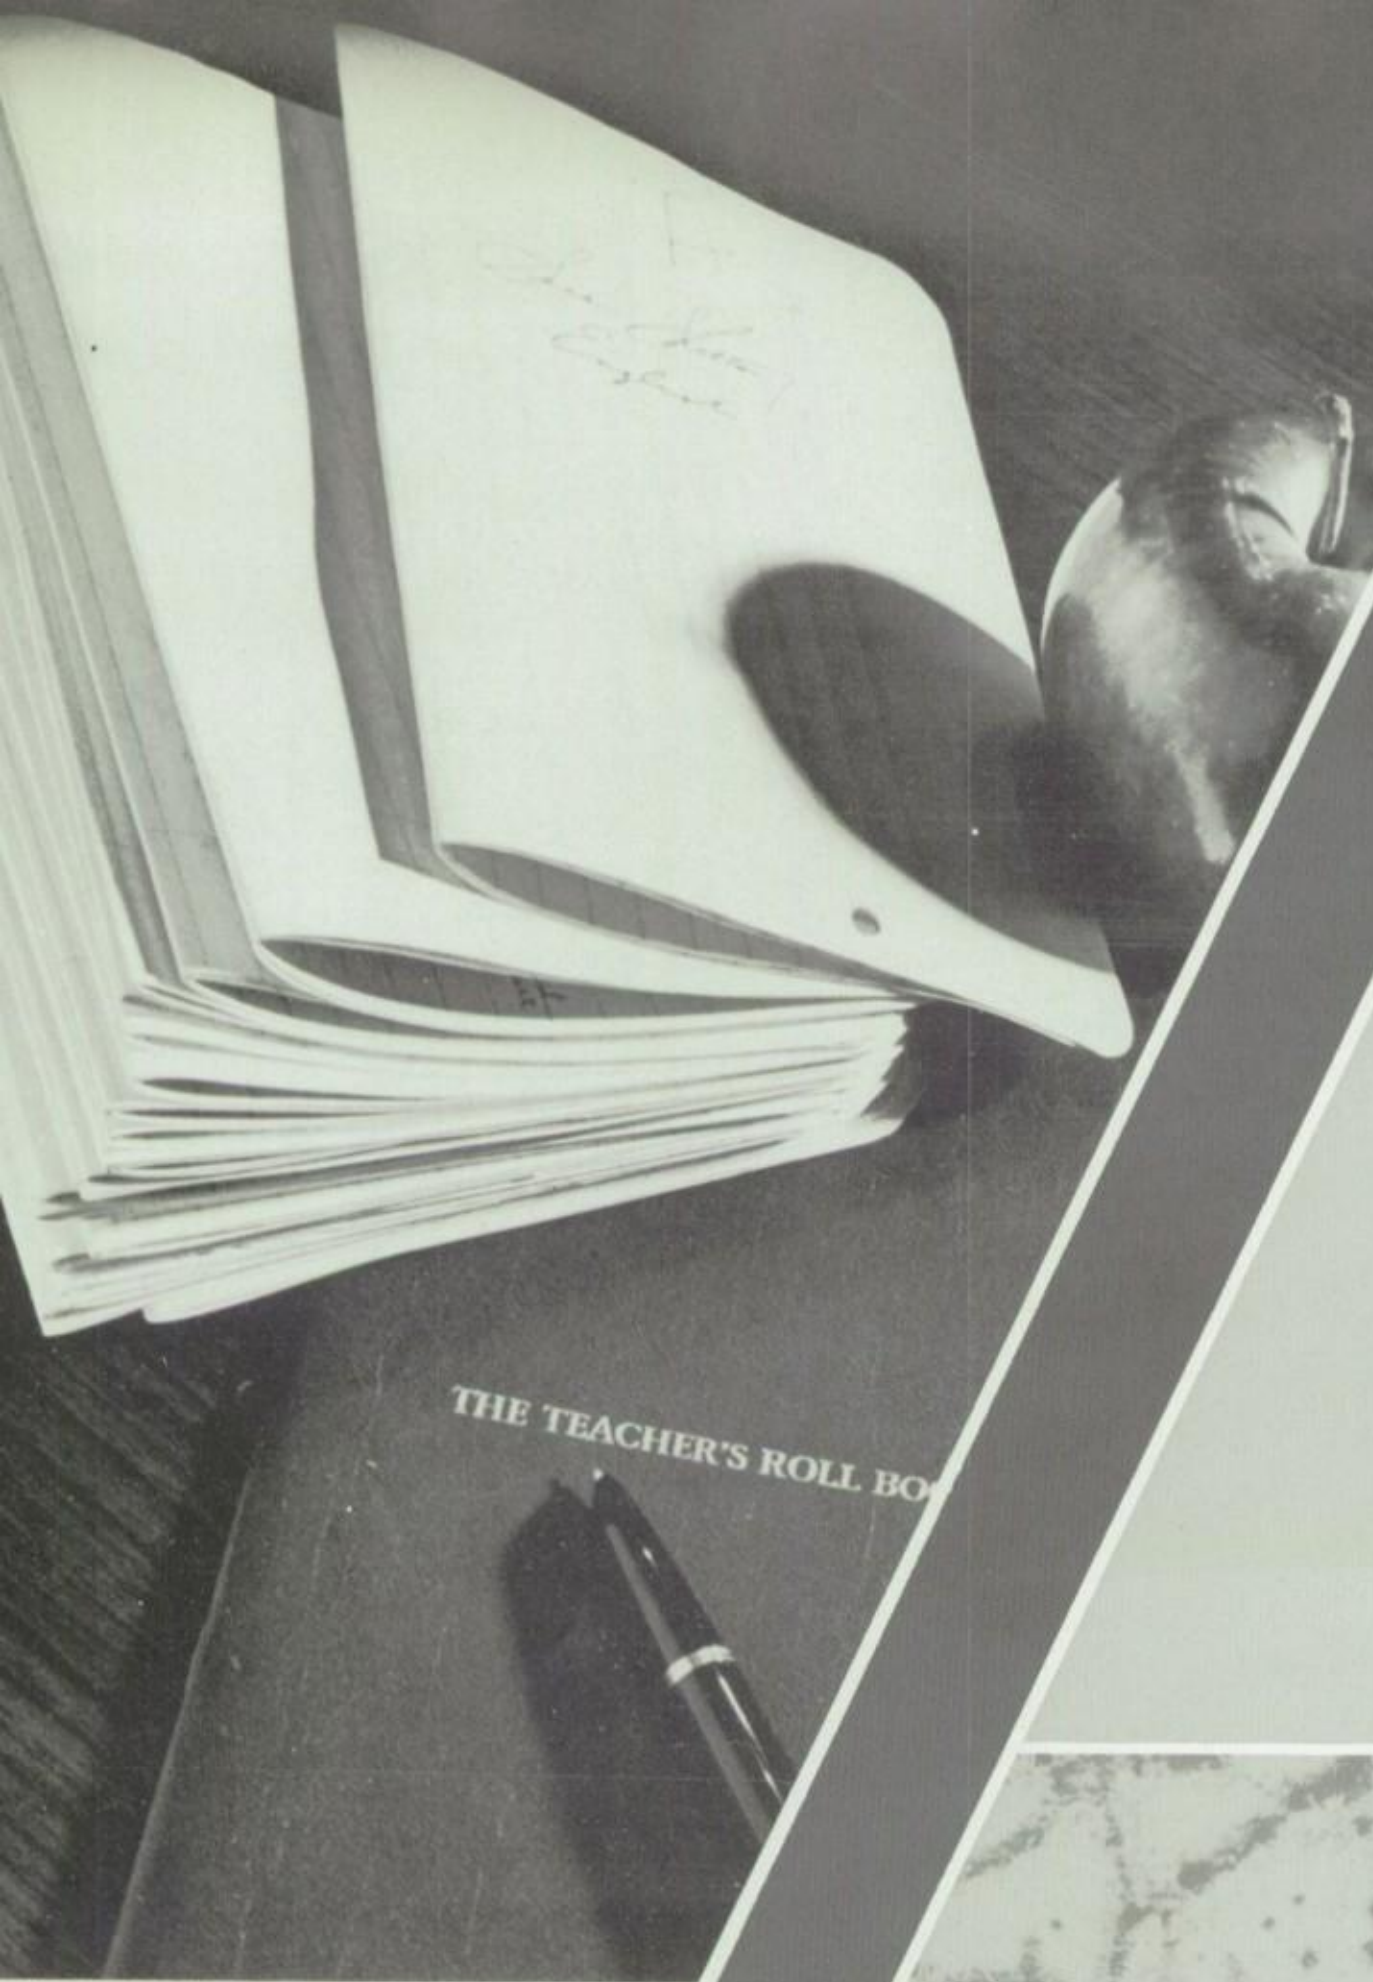

WILLIAM S. MYGATT

## Assistant Principal

Mr. Mygatt received his Bachelor of Science in Education degree from Southern Illinois University's Carbondale campus in 1960, and completed his Masters at the Edwardsville campus in 1964. He has been associated with Roxana High as assistant football coach and drivers' education instructor since 1960. This is Mr. Mygatt's first year as assistant principal. In addition to administrative duties, drivers education classes occupy a portion of his time. He is a member of various professional organizations.

Creative thinking and action is one of the responsibilities of our educational system. The creative process leads to development of sensitivity, tolerance, and understanding among students. The philosophy of art education in our schools stresses development of the individual with respect to his intellect and creativity. Mr James Hill is head of the Art Department.

The Music Department of the high school consists of the Roxana High School Band, the Roxana Pep Band, the Dance Band, the High School Chorus, Special Chorus, and Girls' Chorus. The bands are under the direction of Mr. Leroy Dalhaus, who is also the head of the music department, and the choruses are under the leadership of Mr. Max Syfert. The bands play at most of the major functions of the high school such as the basketball games, football games, pep assemblies, and parades. The band also attends and participates in state contests, their results always being excellent.

The choruses participate in the school play productions, the coronations, special assemblies, and at other special functions.

The choruses played an important part in the musical this year, as they have always in the past. This year's musical was the Sound of Music. The lead roles in the musical this year were held by Barb Losch and Wayne Carnell.

The Business Department has two alternative goals. First, it provides excellent training for those students who wish to obtain a job immediately after they graduate from high school. In addition, the department provides for the development of skills helpful to many students who will be entering college in the future years. The experience obtained in these courses will enable to help these people more easily to obtain part-time work if they so desire, as well as providing obvious advantages in taking notes, typing papers, and things of this nature. Mrs. Rose Anne Davis is the head of the Business Department.

To be an effective citizen, one must be able to communicate freely with those about him. The English department strives to develop in students the ability to understand and communicate. Through the study of English literature and English grammar, one acquires this ability. College prep English is offered, as well as business English for those who plan to enter commercial fields and practical English for students who will terminate their formal education after high school. Mrs. Birdine Groshong is head of the English Department.

Determining class schedules, administering achievement or aptitude tests, compiling class ranks, supplying scholarship information, completing reference sheets, and listening to the complaints of a frantic student are all a part of the guidance counselor's busy day. Our three counselors, Miss McCann, Mrs. Calvin, and Mr. Black do a fine job in coping with Roxana High students and their never ending problems. The counselors are always willing to advise a student on any type of problem he may have. Mr. James Black is head of the Guidance Department.

Speaking and understanding foreign languages is becoming increasingly more important in today's world of improved transportation. Not only language, but also customs, habits, and ways of thinking are barriers confronting the peoples of the world. It is for this reason that the foreign language department emphasizes understanding and conversation rather than grammar. French, German, and Spanish are the languages offered at Roxana. Miss Jean Trogdon is head of the Foreign Language Department.

For the creative student, industrial education offers an outlet as well as an opportunity for development of manual skills. The department provides courses in drafting, printing, woodworking, and crafts.

In these classes, boys produce gun racks, coffee tables, lamps, tooled purses and billfolds, and a large variety of other handicraft articles. The training and experience obtained in the courses enables some of the boys to more easily obtain jobs after graduation and also causes them to realize their abilities and skills in several commercial processes.

Diversified occupations, under the direction of Mr. Herndon, and under the direction of the Industrial Education Department is a unique course offered at Roxana High School. In this program, the student spends an hour of class time in related information and then works at on-the-job training in the afternoon. The course is open to juniors and seniors.

For the job to be satisfactory for D. O., it must require at least 2000 hrs. experience for mastery. Co-operating firms providing jobs in this vocational training program are Ace Printing Service, Home Nursery of Edwardsville, Superior Cleaners, 1-Hour Martinizing Cleaners, Benred Meat Company, and Carroll Lumber Company. Mr. Samuel Herndon is the head of the Industrial Education Department.

Home Economics means more than cooking and sewing. It means a study of human relationships, management of resources, consumer economics, health and fitness, and applied science. These topics are included in units on child development, food and nutrition, management, and housing and home furnishings which are adapted to prepare the student to run a home or to have a background for further study in diversified fields of home economics. In our expanding world, many students find it more advisable to take more than one year of required mathematics. Roxana High offers a wide selection of courses to accommodate them. Available courses include algebra, plane and solid geometry, and trigonometry.

The department operates with highly skilled teachers, modern equipment, and the latest in textbook materials and facilities. The math department has proven that math can be an enjoyable and enriching experience rather than a tedious and boring chore.

Physical education is one of the most vital courses a school can offer, and Roxana High has achieved a physical fitness program of high standard. The girls physical education department has a varied program that provides an experience in many different activities. These activities include soccer, hockey, volleyball, softball, gymnastics, tumbling, square dancing, basketball and calisthenics. The teachers of these classes are Miss Conway and Mrs. McPhail.

The boy's physical education department provides a very versatile program for all boys in the high school. Within the past four years, there has been a great national emphasis placed upon the physical activity of young adults. Roxana is very conscientious of this fact and the boys participate in football, wrestling, swimming, softball, track, volleyball, gymnastics and basketball. Calisthenics plays a major role in the P.E. curriculum as well. Full advantage of the boys P.E. department is accorded to every boy in the high school.

The Physical Education Department also conducts a senior health class and the driver's education classes at Roxana. The senior health class is offered to seniors in place of one semester of P.E. This detailed course includes study areas in communicable disease, mental health, the nervous, circulatory, digestive, and respiratory systems, the bone and muscle systems, alcohol, tobacco, and drugs, reproduction and first aid. A field trip to Beverly Farms in Godfrey is usually included in the course of study. Driver's Education is open to sophomores to provide the beginning driver with the basic skills of operating a motor vehicle. Thirty hours of classroom study and six hours of behind the wheel training are included.

The library is an important part of the high school. Many classes depend on the facilities of the library for the reference materials and books that are used. The library is constantly expanding and improving. One side of the library is devoted to research material and the other side contains all of the novels, histories, biographies, plays, and other books. A recent addition to the library has been an automatic book dater. Library cards have been issued and must be presented for checking out a book. The library has a good supply of current magazines which are kept out for daily use. The older magazines are kept and can be checked out overnight for use. Miss Mildred Jackson is the head of the library department.

The Demonstration Program is the newest and one of the most unique departments in the high school. Involved directly with the English and Social Studies Departments, the program is to present the students involved with a new concept in teaching - mainly to work individually and independently using the teacher as an advisor to guide and not to teach. Outside speakers and visual and audio aids are a major part of the classroom activity under the Demonstration Program. In the above picture, a group of students from the Independent Study in Government class are having a panel discussion. The director of the Demonstration Program at Roxana is Mr. Robert Hardy.

The Student Council helped to plan, organize, and finance many of the activities that made 1965-1966 such an enjoyable year at Roxana. The Council led by officers Dan Grober, Bill Cook, Phyllis Sitze, Chriss Linville, and Clark Tedrick, raised money by selling popcorn at football and basketball games. This helped to finance the Christmas dance - "Christmas A Go Go." But the main purpose behind the Council is to take an active role in student government. A new and successful innovation this year was the democratic approach to student voting - all students were required to register and were required to show their voter's cards before casting a ballot in any school election.

The Rox Staff is responsible each year for the production of the yearbook. Countless hours are spent in arranging pictures, writing copy, typing pages, proof-reading, selling advertisements, selling yearbooks, carrying on the magazine sales campaign, and all the other important but often overlooked operations necessary for the preparation of the yearbook. This year's staff accepts responsibility, too, for any error in the ROX but hopes that these will be at a minimum. Staff officers included for the 1966 ROX are Dick Judson, editor; Donna Sibley, business manager; Mary Roberts and Dee Witherow, assistant editors; Fred Sticht, sports editor; Pam Davis and Rosalie Stassi, copy editors.

Junior Achievement, a nation-wide organization, was founded to help teenagers obtain first-hand experience in business enterprise. Based on the theme "Business and Youth - Partners for Progress," J. A. makes it possible for teenagers to organize and operate their own manufacturing companies. Early in October the teenagers form companies, select a product, elect officers, sell stock, and begin producing. J. A. companies meet only one night each week, but the Achievers are kept busy trying to sell their products.

Whether he is president, safety director, or a production worker, each member of J. A. plays a vital role in his company. The companies cease production in May, take inventory, pay all outstanding bills, and dissolve. Sometimes the companies are successful and other times they are found to be in the "red", but in all cases, the members of Junior Achievement gain valuable experience in the competitive world of business.

For the student with artistic inclinations, Roxana High School offers the Art Club, sponsored by Mr. James Hill. An extremely active group, the members can be found working on the sets for the fall play and Coronation. This year's officers, Patti Huff, president; Dennis Sullivan, vice-president; Susan Mosby, secretary; and Carolyn Watson, treasurer; planned several "fun" projects - one being a hay ride at a local farm. It was reported that everyone had a great time! The money earned from the sets together with that earned at car washes provides the Art Club with enough funds to go on an end-of-the-year trip.

The Future Homemakers of America is an organization composed of girls who are interested in becoming more efficient in cooking, sewing, and home management.

The Future Homemakers of America has always been an active organization. This year once again, the members held a Mother-Daughter brunch and to top that off, the annual Style Show, featuring the F.H.A. members as models.

Miss Graves and Mrs. Murbarger are co-sponsors of the organization. The officers this year are Gaila Wright, president; Linda Lenington, vice-president; Doris Rogers, secretary; and Sandy Mayhugh, treasurer.

The Future Nurses of America is an organization composed of girls who are interested in becoming nurses. Many of the members of F.N.A. donate their free time to perform volunteer services at Wood River Township Hospital.

Trips to various hospitals in the area help the girls to choose the school from which to take their training and they also help the girls to choose from the wide variety of nursing occupations.

At Christmastime the F.N.A. wrapped many gifts which they had assembled, and these were taken to various hospitals to promote Christmas cheer to the less fortunate of patients continuing their stay during the holidays.

Thanks to Mrs. Mick, the girls of the Future Nurses of America gain more knowledge and skill of the medical profession. The officers of the FNA this year are Jeanne VanMeter, president; Eva Horn, vice-president; Jan Taylor, secretary; and Carolyn Evans, treasurer.

The Future Teachers of America is an organization composed of students who are interested in becoming teachers after completing their education.

The F.T.A. is an active organization. At basketball games the soda sales are all reserved for this organization. Also, it provides baby-sitters for the parents who attend F.T.A. meetings. Again this year, the Future Teachers of America sold ballpoint pens (with the name and address of our school) to gain money. The purpose of the F.T.A. fund-raising functions is to present a senior member an award to help finance his college education.

Sponsor of the organization is Miss Dorothy Abberley. This year's officers are Kathy Ennis, president; Cathleen Hignight, vice-president; and Wanda Sickman, secretary.

At the beginning of this school year, the Student Council announced a new plan. Each homeroom was to elect a representative from their homeroom. These representatives met with the Student Council members once a month during the homeroom period. The meeting date was set for the third Wednesday of each month. During the meetings, the representatives heard of new ideas and proposals that the Student Council members have. The representatives gave their opinions based on what they had heard from the people in their homerooms.

After all ideas had been suggested the Student Council votes on the proposed. The representatives, however, had no votes.

The homeroom representatives' purpose is to gather the reactions and comments of the student body. They also report to their homerooms what is being done by the Student Council. This group of representatives has been established by the Student Council in an effort to increase communications between the student body and the Council and provide a greater exchange of ideas.

# Leadership

FRONT ROW: Sharon Hammond, Phyllis Sitze, Sharon Dycus

SECOND ROW: Candy Dickerson, Donna Brown, Martha Wilson, Jackie Vroman, Judy DeBord, Terry Kelley

THIRD ROW: Connie Brown, Lynda Lennington, Carla Smith, Susan Gall, Karen Plank

Leadership is a girls' athletic organization established for the primary purpose of developing teaching skills in the field of physical education. These girls assist the physical education teacher in the classes, serving as referees in class competition and supervising other activities. They also take attend-

ance and grade papers. In addition to knowing the rules for all the activities, the girls must also maintain a high scholastic standing in order to retain their positions. Due to these standards, selection as a leader is an honor to the members of the group.

# GAA

FRONT ROW: Miss Conaway, Sarah Frey, Karen Plank, Jackie Snyders, Bev Pataky, Jeanne Stalcup, Joyce Baker, Connie Brown, Sandy Kanz, Deana Corsa

SECOND ROW: Elaine Kopsie, Gwen England, Bev Ketchum, Rosalie Stassi, Lana Henson, Marti Bunker, Linda Uhles, Linda Davis, Pam Secor

FOURTH ROW: Carol Keck, Kathy Pile, Janet Barrett, Paula Tuis, Nancy Smith, Janet Slaughter, Joni Yates, Linda Thompson, Jane Luter

The GAA sponsors the girls' athletic programs such as volleyball, softball, gymnastics, basketball, tumbling, and tennis. In addition, throughout the course of the academic year, the GAA sponsors activities such as slumber parties and camp-outs. However, the GAA's greatest contribution is to the girls personally. It teaches high morals, good sportsmanship, and concern and consideration for others. It contributes to the social development and the character development of the girls.

# GAA

The RCHS Pep Club promotes the esprit de corps or rather the esprit de school at Roxana High. Throughout the school year, the pep club presides at the various pep rallies which, of course, are held by them before important athletic events, both junior varsity and varsity. The rallies are spear-headed by our JV and varsity cheerleaders, who never spare their excited voices.

The Junior Varsity cheerleaders who do such a fine job are: Diana Miller, Donna Brown, Julie Cook, Casey Call, and Sandy Stimac. And then their older compatriots, the Varsity cheerleaders are: Lana Henson, Bev Pataky, Deana Corsa, Connie Brown, and Becky Secor. Not only the fine cheerleaders, but the entire membership of the pep club is a tribute to the traditions of the student body of Roxana High School.

FIFTH ROW: Paula Featherstone, Lorene Haggard, Sue McCoy, Debbie Grider

The contributions to our school made by the Pep Club cannot be measured. The function they provide is an invaluable aid and asset to both our athletic program and the school as a whole. And through an excellent pep club, not only the athletes and the cheerleaders, but all the students, can participate in athletic events in a way in which all can enjoy the events, and all can contribute to the team effort. Not just the team on the field, or the court, or running down the track, but the whole school is there giving its one giant effort to bring the Shells to victory, and just as important, to lessen the hurt of defeat by a show of good sportsmanship by all students.

The Trades and Industry Club of Roxana High School is made up of the students directly involved in the Diversified Occupations Program. The purposes of the T & I Club are basically threefold: to foster a deep responsibility for the dignity of work, to assist students in establishing realistic vocational goals, and to develop leadership abilities through participation in educational, vocational, civic, recreational, and social activities. This year's officers are Wesley Roady, President; Jody Jones, Vice-President; Phil Maguire, Secretary, and Roger Mouser, Treasurer. The Club belongs to three different branches of its organization: the area club is the West Central Area Association, the state club is the Industrial Co-operative Educational Club, and the national club is the Vocational Industrial Clubs of America. This year, the T & I Club has attended a conference at Western Illinois University at Macomb. The Club will contribute to the Student Lounge by making equipment for the Lounge, and in the spring, will sponsor an Employer-Employee Appreciation Banquet, where the students will provide the work and entertainment.

Composed of all the lettermen in the various Roxana High sports, the "R" Club is active in several functions throughout the school year.

The Club officers serve as escorts to the Queen and her attendants at the Homecoming Coronation. The members serve as ushers at the various athletic contests during the school year. The Club sponsors the coronation dance. It also is in charge of selling football programs at the game. This year's "R" Club has assumed the extra responsibility of maintaining discipline in the student lounge.

Bill Cook is the president, Ed Harvey is vice-president, and Elbie Milazzo is secretary-treasurer of the club this year.

# "The Mouse That Roared"

On November 18 and 19 the Dramatics Department presented Leonard Wibberley's satire on world politics, "The Mouse That Roared". Lead roles were enacted by Mike Crause as Tully Bascom, the bumbling Forest Ranger, and his sovereign, Gloriana the Twelfth, portrayed by Gwen England. Steve Perrin, as Dr. Kokintz, the traditionally absent-minded professor, delighted the audience and cast alike with his imaginative performance.

# "The Sound of Music"

This year's Ars Gratia Artis musical, Rogers & Hammerstein's "The Sound of Music," was presented on March 31, April 1, and 2. The touching story of a young postulant's indecision was presented so effectively that it was a delight to everyone - audience and performers. The lead roles were excellently portrayed by Barbara Losch as Maria, Wayne Carnell as Captain Von Trappe, Glenda Piltz as Baroness Schroeder, Sara Parks as the Mother Abbess, Mary Schien as Liesl, and Terry Lockett and Jerry Howard also had major roles.

## Seniors

The experiences of the Senior Class of 1966 during its high school days will long be remembered by the class members. Entering high school as not-so-timid sophomores in the fall of 1963, the class has now achieved the status of seniors about to graduate and face life's responsibilities. During the sophomore year, the class experienced tragic events - nationally and locally. It was on a rainy November day in Roxana that news was received of the assassination of President Kennedy. Later the same year, the accident occurred which claimed the lives of the Tomlovich family, including the three girls who were respectively a sophomore, a junior, and a senior in Roxana High at the time.

In spite of the ominous events during the sophomore year, the Class of '66 can look back with pride upon a junior year during which it put together an outstanding Prom. The class officers responsible for the fund-raising that made this possible were Dale Bivens as president, Ralph Chavez as vice-president, and Karen Hertenstein as secretary. The officers for the senior year are pictured above.

The Class of 1966 was the first to enjoy the facilities of the new buildings for the science, business, and industrial education departments.

Senior class sponsors for the year were Mr. Campbell, Mr. Bogart, Mrs. Uhe, Mr. Davis, Mr. Hill, Miss Abberley, Mr. Brazier, Mr. Adler, Mr. Podner, Mr. Stevenson, Mr. Milford, and Mr. McLane.

Whether the future holds jobs in business and industry, service in the armed forces, domestic duties as a housewife, or a furthering of education, it will find the seniors better prepared by their high school training. And these high school days, with their joys and their sorrows, will remain as lingering memories in the years to come.

## Juniors

Peggy Davis, Mike Hill, Becky Secor

As sophomores, the Class of '67 entered a float in the Homecoming parade. Many hours were spent by class members in building and decorating the float at the home of Sherry Brueggeman. The float, whose theme was "Beat the Eagles," won first place in originality. The class officers during the sophomore year were Carroll Slusher, president; Mike Coleman, vice-president; and Becky Secor, secretary-treasurer. Officers for the junior year are pictured above.

During the junior year, the activities were all directed toward raising money for the Prom. Fund-raising projects began in the fall, when the juniors operated the concession stand at all the home football games. The proceeds were deposited in the class treasury. In November and December, Christmas card sales occupied the spare time of the class members, but the profit from these was not as much as was expected. The juniors rebounded from this setback, however, and did an excellent job of selling candy during February. Candy sales profits provided a large portion of the Prom money. A coat check at all home basketball games netted more money, and this was supplemented by money from a bake sale. A basketball game between the Roxana and Wood River faculties, with proceeds going to the Class of '67, was also beneficial.

The hard work and fund-raising activities were all considered worthwhile, since these allowed the juniors to put on an excellent Prom. Junior sponsors this year were Mrs. Davidson, Mr. Gnaedinger, Mr. Matthews, Mrs. Davis, Mr. Greenlee, Mr. Aitken, Mrs. Lenz, Mrs. Roth, Mr. Rull, Mr. Tschannen, Mr. Herndon, Miss Graves, and Mr. Raich.

After devoting a year of activities toward a successful Prom, the Class of '67 now looks forward to a senior year during which another junior class will provide a Prom for them.

## Sophomores

Entering high school in the fall of 1965, the Class of '68, as most sophomore classes do, spent the first part of the year becoming accustomed to high school. They entered a float in the homecoming parade.

Having now become fully accustomed to high school life, the Class of '68, now must prepare the Prom as juniors next year.

The sophomore class sponsors this year were Mr. Cook, Mr. Edwards, Mrs. Jones, Mr. Kiesewetter, Mrs. McPhail, Mr. McPherson, Miss Trogdon, Miss Conaway, Mr. Vell-off, Miss Goembel, Mrs. George, Mr. Potthast, Mrs. Berutti, Mrs. Groshong, Miss Koenig, and Mr. Shaver.

# Ideas Come First

*(Are you kidding?)*

Behind every invention is an idea. Behind America's high standard of living are the fruitful thoughts of men.

This is especially true in the petroleum industry, which has contributed so much to the nation's economy, comfort and protection.

At Shell's series of research centers across the nation, skilled scientists from the world's great universities are constantly seeking and proving out new ideas that will help oil do an even better job for you.

few years. I've had an immense  
to get to know you alot better, and  
you're a wonderful person. Hope really  
knows how lucky he is, but I'm sure  
he does. Best of luck always!

Is a very sweet girl  
who I hope remains  
that way.
